

## International Radio Medical Centre

---

**d'Amico Group has been a partner and supporter of the International Radio Medical Centre (C.I.R.M.)** for many years. C.I.R.M. was established in 1935 to provide medical assistance via radio to seafarers on ships with no doctor on board, of any nationality, sailing on all seas. From its base in Rome, C.I.R.M. provides continuous medical services 24/7 free of charge.

**In almost 80 years, the organisation has assisted about 70,000 patients and provided no less than 800,000 medical consultations via radio.** These figures make it the most renowned centre worldwide.

In June 2021, d'Amico Group signed a contract with CIRM (International Medical Radio Centre) for their Top-Class service. With this paid service d'Amico Group will be able to better monitor the health of its seafarers 24/7 both on board and ashore thanks to a team of highly specialized doctors.
